NOTICE OF CONSENT SOLICITATION

[●], 2019

To Our Stockholders:

Notice is hereby given to stockholders of Peninsula Acquisition Corporation., a Delaware corporation (the “Company”), that we are seeking the written consents of stockholders holding a majority of our issued and outstanding shares of common stock, par value \$0.0001 per share, as of February 8, 2019 (the “Record Date”), acting in lieu of a meeting, to authorize and approve the following proposal (the “Proposal”):

To approve an amendment to the Company’s Certificate of Incorporation to effect a forward stock split of the Company’s issued and outstanding common stock at a ratio of 2.3077-for-1 (the “Forward Stock Split”).

On February 8, 2019, the Board of Directors approved the Forward Stock Split and determined to solicit the required votes of the stockholders of the Company entitled to vote thereon. Only stockholders of record at the close of business on the Record Date are entitled to consent to the Proposal.

**The Board of Directors recommends that you consent to the approval of the proposed amendment to the Certificate of Incorporation. Although the Board of Directors approved the Forward Stock Split on February 8, 2019, the Forward Stock Split must also be approved by a majority of our outstanding shares of common stock as of the Record Date. As a result, the Forward Stock Split will be approved when we have received consents to the approval of the Forward Stock Split from stockholders representing a majority of the shares of common stock outstanding on the Record Date.**

This Notice of Consent Solicitation is being issued by the Company and is intended to be dispatched on or about [●], 2019 to all of the holders of common stock as of the Record Date. **We are not holding a meeting of stockholders in connection with the Proposal.** The Consent Solicitation Statement on the following pages further describes the matter presented to stockholders for consent.

**The Board requests that you sign, date and return the Consent included as Appendix A to the Consent Solicitation Statement in the enclosed envelope (or by facsimile or via the internet) as soon as possible.**

Sincerely,

**CONSENT SOLICITATION STATEMENT**

The Board of Directors (the “*Board*”) of Peninsula Acquisition Corporation (the “*Company*,” “*we*,” “*us*” and “*our*”) is requesting the approval, by written consent in lieu of a meeting (each, a “*Consent*”), of the following proposal (the “*Proposal*”):

- To approve an amendment to the Company’s certificate of incorporation to effect a forward stock split of the Company’s issued and outstanding common stock at a ratio of 2.3077-for-1 (the “*Forward Stock Split*”).

On February 8, 2019, the Board approved the Forward Stock Split and corresponding amendment to our Certificate of Incorporation referenced in the Proposal and determined to solicit the required votes of the stockholders of the Company entitled to vote thereon. Only stockholders of record at the close of business on February 8, 2019 (the “*Record Date*”) are entitled to consent to the Proposal.

Subsequent to the effectiveness of the Forward Stock Split, we intend to consummate a business combination with a private company or reverse takeover transaction or other transaction after which we would cease to be a shell company. To date, our management has had discussions with a potential target regarding a business combination with us, however, at this time, we are not a party to any binding agreements with respect to a business combination with this entity or any other entity and there are no assurances that we will be able to complete a business combination.

In connection with a business combination, we plan to issue shares of our equity securities in exchange for ownership of a private company. Management is undertaking the Forward Stock Split in an attempt to make the Company a more attractive merger candidate by making its proportion of outstanding shares to authorized shares more in line with what management deems to be market expectations.

**With respect to the Proposal, it is important to understand that we are not required to seek, nor are we seeking, stockholder approval of a business combination. Rather, we are only seeking approval to effect the Forward Stock Split prior to a business combination.**

This solicitation is being made primarily by mail. However, we may also use our officers, directors and employees (without providing them with additional compensation) to solicit proxies from stockholders in person or by telephone, email, facsimile or letter. Distribution of this consent solicitation statement and the Consents is scheduled to begin on or about [●], 2019.

**We are not holding a meeting of stockholders in connection with the Proposal described herein.** This Consent Solicitation Statement describes the matter that is presented to stockholders for approval. Approval of the Proposal requires receipt of affirmative Consents from the holders of a majority of our shares of common stock outstanding as of the Record Date. There are no rights of appraisal or similar rights of dissenters with respect to the Proposal.

Pursuant to rules promulgated by the U.S. Securities and Exchange Commission (the “*SEC*”), we are providing access to our consent solicitation materials, consisting of the Notice of Consent Solicitation, this Consent Solicitation Statement, and the Consent by sending you this full set of materials.

To be counted toward approval of the Proposal, your Consent must be received within 60 days from the date of the earliest dated and delivered Consent(s). Under the Delaware General Corporation Law (“*DGCL*”), the failure to timely deliver a Consent will have the same effect as a vote against the Proposal.

The Board requests that you sign, date and return the Consent included as Appendix A to this Consent Solicitation Statement in the enclosed envelope (or submit your consent by facsimile or via the internet) as soon as possible. A form of the Certificate of Amendment to our Certificate of Incorporation (the “*Certificate of Amendment*”) to be filed with the Delaware Secretary of State to implement the Forward Stock Split is included as Appendix B.

You may revoke your written Consent at any time prior to the time that we have received a sufficient number of Consents to approve the Proposal. A revocation may be in any written form validly signed and dated by you, as long as it clearly states that the Consent previously given is no longer effective. Any such revocation should be sent to us at 2255 Glades Road, Suite 324A, Boca Raton, Florida 33431.

Our sole officer and our directors hold enough shares that they may provide sufficient Consents to approve the Proposal, although there has been no formal agreement with respect thereto. As of the Record Date, 100% of our outstanding shares of common stock are believed to be controlled and beneficially owned by our sole officer and our directors.

## QUESTIONS AND ANSWERS ABOUT THE CONSENT SOLICITATION

The following questions and answers are intended to respond to questions frequently asked by the holders of our common stock concerning the actions approved by our Board of Directors. These questions do not, and are not intended to, address all the questions that may be important to you. You should carefully read the entire Consent Solicitation Statement, as well as its appendices and the documents incorporated by reference herein.

**Q: Why did I receive this Consent Solicitation Statement?**

**A:** The Board of Directors is soliciting your Consent to the Proposal because you owned shares of our common stock at the close of business on February 8, 2019, the record date for the consent solicitation, and, therefore, are entitled to notice of the consent solicitation and may Consent to the Proposal.

**Q: Who is entitled to consent to the Proposal?**

**A:** All holders of our common stock as of the Record Date. As of February 8, 2019, there were 1,000,000 shares of our common stock issued and outstanding.

**Q: What am I being asked to consent to?**

**A:** You are being asked to consent to the following Proposal:

- To approve an amendment to the Company's certificate of incorporation to effect a forward stock split of the Company's issued and outstanding common stock at a ratio of 2.3077-for-1 (the "*Forward Stock Split*").

The receipt of sufficient Consents to approve the Proposal will authorize our Board of Directors, in its sole discretion, to file a Certificate of Amendment with the Secretary of the State of Delaware, which would effectuate the Forward Stock Split.

**Q: What is the Board's recommendation?**

**A:** The Board recommends that all stockholders provide their Consent in support of the Proposal.

**Q: What is the purpose of the Forward Stock Split?**

**A:** The primary purpose of the Forward Stock Split is to make the Company a more attractive merger candidate by making its proportion of outstanding shares to authorized shares more in line with what management deems to be market expectations.

Completing a business combination is NOT a condition or requirement for effecting the Forward Stock Split. Even if the requisite number of stockholder Consents are received to approve the Proposal, our Board will have complete discretion as to whether or not to consummate the Forward Stock Split.

The proposed Certificate of Amendment to effectuate the Forward Stock Split is discussed in detail below under the heading "Proposal." The full text of the proposed Certificate of Amendment is included as Appendix B to this Consent Solicitation Statement.

**Q: When would the Forward Stock Split become effective?**

**A:** The consummation of the Forward Stock Split will be subject to a final decision by our Board of Directors. In the event that our Board of Directors determines, in its sole discretion, to effectuate the Forward Stock Split, we will file the Certificate of Amendment with the Delaware Secretary of State, which will cause the Forward Stock Split to become effective as of the date of filing.

**Q: What happens if the Proposal does not receive Consents from a majority of our stockholders?**

**A:** If the Proposal does not receive Consents from a majority of our stockholders, then we will be unable to effect the Forward Stock Split.

**Q: Will there be a meeting of stockholders to consider the Proposal?**

**A:** No. We will not hold a meeting of stockholders. We are incorporated in the State of Delaware. In accordance with our Certificate of Incorporation and Section 228 of the DGCL, our stockholders are permitted to take action without a meeting if consents in writing, setting forth the action so taken, are given by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.

**Q: What vote is required to approve the Proposal?**

**A:** The Proposal must receive Consents from holders of at least a majority of the issued and outstanding shares of our common stock on the Record Date, which represents 500,001 shares.

**Q: How do I provide my Consent?**

**A:** If you are a stockholder of record, you may provide your Consent to the Proposal by signing and dating the enclosed Consent and mailing it to us in the enclosed envelope or via facsimile transmission at the number identified on the Consent.

**Q: Can I vote against the Proposal?**

**A:** We are not holding a meeting of our stockholders, so there will be no FOR or AGAINST vote. However, because the Proposal requires the affirmative Consents of the holders of a majority of our outstanding common stock, simply not delivering an executed Consent in favor of the Proposal will have the same effect as a vote AGAINST the Proposal if it were being considered at a meeting of stockholders. In the event you want to withhold your Consent or abstain, then you may indicate such action on your Consent and such action will count as a vote AGAINST the Proposal.

**Q: Can I revoke my Consent after I have delivered it?**

**A:** If you are a stockholder of record, then you may revoke your Consent at any time prior to the time that we receive a sufficient number of Consents to approve the Proposal. A revocation may be in any written form validly signed and dated by you, as long as it clearly states that the Consent previously given is no longer effective. The revocation should be sent to us at 2255 Glades Road, Suite 324A, Boca Raton, Florida 33431.

**Q: By what date does the Company need to receive a sufficient number of Consents?**

**A:** Under Section 228(c) of the DGCL, the Consents will remain in effect until a sufficient number of Consents are received by us to take the actions proposed herein. However, such Consents will not remain effective if Consents of at least a majority of the issued and outstanding shares of our common stock on the Record Date are not received within 60 days of the earliest dated Consent delivered.

**Q: Is my Consent confidential?**

**A:** All Consents and all tabulations that identify an individual stockholder are confidential. Your Consent will not be disclosed except to allow tabulation of the shares covered by valid Consents; and to meet applicable legal requirements.

## PROPOSAL - APPROVAL OF FORWARD STOCK SPLIT

Our Board has approved the Forward Stock Split whereby every 1 share of common stock held by a stockholder shall be exchanged for 2.3077 shares of our common stock. Cash will be paid in lieu of the issuance of fractional shares. Provided that we receive stockholder approval of the Proposal, the Forward Stock Split would become effective upon the filing of the Certificate of Amendment with the Secretary of State of the State of Delaware. The exact timing of the filing of the Certificate of Amendment will be determined by the Board, in its sole discretion, based upon its evaluation of when such action will be advantageous to the Company and our stockholders. Every share of common stock issued and outstanding immediately prior to that effective date will be exchanged for 2.3077 shares of common stock.

The principal effect of the Forward Stock Split will be to increase the number of outstanding shares of common stock. At the time of the approval of the Forward Stock Split by the Board on February 8, 2019, we had 1,000,000 shares of common stock outstanding, which number will be increased to 2,307,699 shares as a result of the Forward Stock Split. The respective relative voting rights and other rights that accompany the common stock will not be altered by the Forward Stock Split, and the common stock will continue to have a par value of \$0.0001 per share. In addition, there will be no change to the amount of shares of common stock that the Company is authorized to issue.

### Reasons for the Forward Stock Split

In connection with a business combination, we plan to issue shares of our equity securities in exchange for ownership of a private company. Management is undertaking the Forward Stock Split in an attempt to make the Company a more attractive merger candidate by making its proportion of outstanding shares to authorized shares more in line with what management deems to be market expectations.

### Equity Raises; Anti-Takeover Effects

There may be certain disadvantages suffered by stockholders as a result of the Forward Stock Split. These disadvantages include a decrease in the number of authorized and unissued shares. The decrease in authorized but unissued shares gives us less maneuverability and flexibility in raising capital through equity issuances.

Management is not recommending the Forward Stock Split in an attempt to prevent third parties from obtaining control of our company.

The Board believes that the consummation of the Forward Stock Split and the changes which would result therefrom will not cause us to terminate registration of our common stock under the Securities Exchange Act of 1934, as amended, or to cease filing reports thereunder, and we do not presently intend to seek, either before or after the Forward Stock Split, any change in our status as a reporting company for federal securities law purposes.

### Fractional Shares

If the Forward Stock Split is implemented, no fractional shares will be issued in connection with the Forward Stock Split. Instead, stockholders who would otherwise hold fractional shares because the number of shares of common stock they hold before the Forward Stock Split is not evenly divisible by the split ratio will receive cash (without interest) in lieu of such fractional shares in an amount equal to the product obtained by multiplying (i) the fair market value of our shares of common stock as determined by the Board by (ii) the number of shares of our common stock held by such stockholder that would otherwise have been exchanged for such fractional share interest. The ownership of a fractional share interest will not give the holder any voting, dividend or other rights, except to receive the above-described cash payment.

### No Rights of Appraisal

Under applicable Delaware corporation law, our non-consenting stockholders are not entitled to appraisal rights with respect to the Forward Stock Split, and we will not independently provide our stockholders with any such right.

### Federal Income Tax Consequences

The Forward Stock Split should not result in any taxable gain or loss to stockholders for U.S. federal income tax purposes. The U.S. tax basis of common stock received as a result of the Forward Stock Split will be equal, in the aggregate, to the basis of the shares exchanged for the common stock. For U.S. federal income tax purposes, the holding period of the shares immediately prior to the effective date of the Forward Stock Split will be included in the holding period of the common stock received as a result of the Forward Stock Split.

STOCKHOLDERS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS FOR MORE DETAILED INFORMATION REGARDING THE EFFECTS OF THE FORWARD STOCK SPLIT ON THEIR INDIVIDUAL TAX STATUS.

## Required Consent

The Consents of the holders of a majority of the outstanding shares of our common stock as of the Record date are required to approve the Forward Stock Split.

## Effective Time of the Forward Stock Split

If stockholder approval is obtained, we plan to file a Certificate of Amendment to our Certificate of Incorporation effecting the Forward Stock Split on the earliest date permitted by law.

## Recommendation of the Board

**The Board unanimously recommends a Consent for the approval of the Forward Stock Split.**

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of the date of this filing, the number of shares of common stock owned of record and beneficially by the Company's directors and officers and each person, or group of affiliated persons, known to us to beneficially own more than 5% of our outstanding common stock, if any.

(1) Mark Tompkins serves as a director of the Company.

(2) Ian Jacobs serves as President, Secretary, Chief Executive Officer, Chief Financial Officer and a director of the Company.

**INTEREST OF CERTAIN PERSONS IN OR OPPOSITION TO MATTERS TO BE ACTED UPON**

**CERTIFICATE OF AMENDMENT OF  
CERTIFICATE OF INCORPORATION OF  
PENINSULA ACQUISITION CORPORATION**

(Pursuant to Section 228 and Section 242 of the  
General Corporation Law of the State of Delaware)

Peninsula Acquisition Corporation (the "Corporation"), a corporation organized and existing under and by virtue of the General Corporation Law of the State of Delaware, as amended (the "DGCL"), does hereby certify that:

1. The board of directors of the Corporation duly adopted resolutions declaring advisable the following amendment to the Certificate of Incorporation of the Corporation and that this amendment was submitted to the stockholders of the Corporation for approval.

2. Article 5, first paragraph is amended in its entirety as follows:

"The total number of shares of capital stock which the Corporation shall have authority to issue is: fifty-five million (55,000,000). These shares shall be divided into two classes with fifty million (50,000,000) shares designated as common stock at \$.0001 par value (the "Common Stock") and five million (5,000,000) shares designated as preferred stock at \$.0001 par value (the "Preferred Stock").

Without any other action on the part of the Corporation or any other person, effective immediately upon the filing of this Certificate of Amendment to the Certificate of Incorporation of the Corporation (the "Effective Time"), (i) each share of the Corporation's Common Stock, \$.0001 par value per share, issued and outstanding (the "Old Common Stock") shall automatically, without further action on the part of the Corporation or any holder of Old Common Stock, convert into 2.3077 fully paid and nonassessable shares of Common Stock, \$.0001 par value per share. The conversion described in the foregoing sentence shall be referred to herein as the "Stock Split". No fractional shares will be issued in connection with the Stock Split effected by the preceding sentence. Stockholders of record who otherwise would be entitled to receive fractional shares in connection with the Stock Split will instead be entitled to receive, in lieu of such fractional shares, an amount in cash equal to the product of (i) the fair market value of the shares of Common Stock as determined by the Board as of the Effective Time, multiplied by (ii) the number of shares of Old Common Stock held by the stockholder immediately prior to the Effective Time that would otherwise have been exchanged for such fractional shares. Whether or not fractional shares would be issuable upon the Stock Split shall be determined on the basis of the total number of shares of Old Common Stock held by each holder of such stock at the time of the Stock Split and the aggregate number of shares of Common Stock issuable to each such holder upon the Stock Split. From and after the Effective Time, any stock certificates that, immediately prior to the Effective Time, represented the shares of Old Common Stock shall, from and after the Effective Time, automatically and without the necessity of presenting the same for exchange, represent the number of shares of Common Stock into which such Old Common Stock has been converted in the Stock Split pursuant to this Certificate of Amendment."

3. The Corporation's stockholders approved the aforesaid amendment by written consent in accordance with the provisions of Section 228 of the DGCL.

4. The foregoing amendment was duly adopted in accordance with the provisions of Section 228 and Section 242 of the DGCL.

IN WITNESS WHEREOF, the Corporation has caused this Certificate of Amendment to be signed by a duly authorized officer of the Corporation as of this \_\_\_\_ day of [●], 2019.
